## COMMENTS FROM THE TOWN MANAGER'S OFFICE

A new man has been hired to increase the working forces of the highway department. He is Arthur Abbott from Rumford.

Mr. Abbott has in the past worked for the Rumford highway department.

We have used much more salt and sand than normal as a result of the storms we have had.

Our sand pile has been depleted to the extent we must replenish it before winter. We seem to be the only section of the state that has had as many storms that required ice and snow removal.

At the Selectmen's meeting on Nov. 20 a new pay scale was adopted for employees of the town who work on the roads. The pay was increased considerably and an additional paid holiday was given.

As a result we have been able to hire two men to bring our crew up to six. This many men plus the extra help we can get during storms should be adequate.

## REGULAR MEETING OF SCHOOL DIRECTORS HELD AT WOODSTOCK

The board of directors of S. A. D. #44 held a regular meeting at Woodstock High School, Bryant Pond, on Monday evening, Nov. 20.

Roger Spagnardi, elementary supervisor of the District, reported on future plans and changes for the elementary schools in the District.

Minutes of the Nov. 6 meeting were accepted with the exception of the following: Increase of \$35 to Addressograph & Multigraph Corporation under Industrial Arts Equipment Bids due to a change in the order by this company, thus increasing the total cost for this equipment to \$39,650.04.

Lester Bickford, chairman of the building committee, reported that

A submersible pump for the well at the new high school site has been purchased from Russell McAllister, Bryant Pond, for the sum of \$1,175.00. Mr. McAllister was awarded the contract because included in his bid was the cost for pulling the pump during the one year guarantee if the well goes dry.

Plans to complete the water system and to have the water into the building by mid-December are in progress. Work on the grading, seeding and landscaping of the new high school is progressing slowly at the present time because of the weather, and it may be necessary to suspend further work until the spring.

The Building Committee was authorized to spend \$22,000 to have the second well at the high school site tested pumped. The committee was further authorized to request funds from the Water Service Account to complete the water system for the new high school.

Dexter Stowell, chairman of the board, called for a special board meeting to be held Thursday, Nov. 23, at the Crescent Park School, Bethel, to meet with representatives of the companies that bid on the reference continued on Page Four

## RUMFORD HOSPITAL OPENS PERSONNEL DEPARTMENT

E. E. Loubler, announces the opening of a new personnel department at Rumford Community Hospital, one of the few hospitals in Maine to have a complete personnel department. As the business of hospitals grows, a personnel department becomes a vital part of hospital progress, both for good employee communications and manpower cost control.

The new department has been located in the nurses residence on Lincoln Avenue. The personnel function was combined with public relations since the two departments are interrelated in a small hospital.

Mrs. Rosabelle Tift, who has served as director of public relations and personnel on a part-time basis since May, 1966, is now assuming the position full-time. From 1957 to May, 1966, Mrs. Tift was employed in the nursing service department as secretary to the director of nurses and staffing supervisor, and maintained the nursing service personnel records.

The new department maintains a central core personnel record file on all hospital employees. Other functions of the department include the recruiting and screening of employment applicants, an enthusiastic orientation program for all new employees, inservice education training programs, coordination of employee activities, active health care programs in schools and throughout the community, and the investigation of new personnel administrative concepts and procedures.

Since hospitals have an obligation to stimulate an interest in health careers, a "Health Career Corner" of free brochures and pamphlets will be kept current and available in the personnel department to interested students.

## N. E. COUNCIL CALLS FOR MEASURES TO EASE AREA CRUDE OIL CRISIS

The New England Council has called on the Federal Government to revise its Fuel Policy so that (1) an increasingly larger percentage of crude oil be brought into this country from foreign sources and (2) "encouragement be given to the construction of a pipeline from Newark, New Jersey (the present terminus) to Boston.

The Council's recommendations which reflected proposals made by its Fuel and Energy committee, were in the form of a letter to the New England Congressional delegation.

According to NEC Executive Vice President, A. Thomas Eastley, the long-range recommendations were made to ease the demand for distillates to continue forcing domestic crude prices up and is damaging to the New England market. Heavy heating oil is among the distillates affected by this price increase.

The Council feels that lower oil prices are the only reasonable method for easing the New England resources of adequate supplies of reasonable costs, and that a pipeline from Newark, New Jersey to Boston could potentially alleviate New England's total dependence on oil for its supply of distillates.

Wilson, III, California City, California, son of Mrs. Hazel Vandepas, Golden Valley, Minnesota and the late Frank Wilson were united in a double ring ceremony by Rev. Clyde W. Park, Mexico Baptist Church.

The brides only attendant was her youngest sister, Miss Marilyn White. The bride's brother, Daniel White, acted as best man. Daniel's twin brother, David White, was an usher.

The bride, who was given away by her father, was dressed in a floor length four tier lace gown with a sweetheart neckline and long pointed sleeves. Her shoulder length illusion veil fell from a crown of seeded pearls. She carried a white Bible with a cor-

sage of yellow, bronze and white mums. The rings that were exchanged were designed by the groom's mother.

The maid of honor was gown-ed in a shocking pink, street length gown with a tiny pill box hat to match. Her corsage was of fall mums.

Mrs. Herbert Knox, church organist played traditional wedding music. The church had two large arrangements of fall flowers.

Due to a change in wedding plans the groom's relatives were unable to attend. The wedding was previously scheduled for Nov. 19 but due to illness was postponed.

A reception was held immediately following the ceremony for approximately 40 relatives and friends in the Christian Education Building. Mrs. Sylvanus Glover was in charge of the reception with Mrs. Arthur Hutchins, Helen Glover, Norma White

and Sandra White assisting with the refreshments.

The four tier bride's cake was made and decorated by the bride's sister, Mrs. Freeman Farrington. After the bridal couple cut the first piece, Mrs. Farrington and the maid of honor served the cake.

Miss Betty-Jean Farrington, niece of the bride, assisted by Norma White, circulated the guest book.

The bride's mother wore a street length dress of Kelly green with matching hat. She wore a corsage of fall mums.

The bride graduated from Andover High School in 1961 and from Aroostook State College, Presque Isle in 1965 and for the past two years has taught in Lisbon.

The groom graduated from Brooks Military School in 1957 and attended the University of

Minnesota for three years. He served with the U. S. Air Force for eight years and was discharged in December 1964 as S-Sgt. and was last stationed at Loring A. F. B. in Limestone. He is now Title Officer for California City Development Company.

The bride was guest of honor at a pre-nuptial shower in Lisbon and another in Andover.

## WHAT IS CHARITY?

It's silence when your words would hurt.  
It's patience when your neighbor's curl.  
It's deafness when the scandal flows.  
It's thoughtfulness for another's woes.  
It's promptness when a stern duty calls;  
It's courage when misfortune falls.

**FAIR PREPARATIONS**—Mrs. Sabina Bigelow, Mrs. Jan Stowell, Miss Helen Varner and Mrs. Norma Salway during prepara-  
tions for the Christmas Fair to be held at the West Parish Congregational Church next Thursday.

**DIRECTORS' MEETING**  
continued from Page One  
equipment for the new high school. This gave the directors and staff an opportunity to speak to each representative and to look over samples of the material.

A letter from Peter A. McKenney, Executive Director of the Maine Highway Safety Committee, was read, regarding the change in the school bus law by the 103rd Legislature. The Board will request that Mr. McKenney be asked to speak at a Board meeting in January in regard to this matter.

Ralph Ryder, superintendent, reported that work with the S. A. D. #44 Faculty Club Salary Committee was progressing smoothly. The Salary Committee will present their proposal to the Directors on Dec. 4.

The superintendent further reported that work is progressing on the preparation of the 1968 budget. Tentative plans for presentation of the budget were outlined.

Mrs. Musa Brown, Chairman of the Directors-Teachers Supper reported that the tentative date for the supper has been set for Dec. 14. Time and place was expected to be confirmed within a few days.

The next regular meeting of the board of directors will be held at Locke Mills Elementary School, Dec. 4, at 7:30 p. m.

At the special meeting Tuesday evening the directors voted to award a contract to the Hermsdorf Company, Manchester, N. H., to install science equipment and cabinet work in five science laboratories in the new Telstar Regional High School, presently under construction, at a total cost of \$45,772. Plans are to install this equipment in July 1968, when the science areas will be completed.

A gift of Greek and Latin classics has been presented to the library of the Portland Campus by Mrs. Kenneth C. M. Sills of Portland. The collection, totaling more than 300 volumes, is a gift from the library of the late Kenneth C. M. Sills, former president of Bowdoin College. Many of the titles included in the gift have been out of print and unavailable for purchase for a number of years.

## HUTCHINS - COOLIDGE

A very pretty late fall formal wedding took place at the Andover Congregational Church on November 25, when Miss Sharon Ann Coolidge, daughter of Mr. and Mrs. Elton Coolidge, formerly of Bethel, now residing in Andover, became the bride of Robert Henry Hutchins, son of Mr. and Mrs. Henry Hutchins, Andover. Rev. Carl Kingsbury officiated at the double ring ceremony.

The church was decorated with baskets of yellow, bronze and white mums. Mrs. Herbert Knox, church organist, played traditional wedding music.

The bride, escorted to the altar by her father, was gown in a floor length A line gown of candlelight ribbed taffeta, empire lace bodice, with a scooped neckline, and long fitted sleeves. The chapel length detachable lace train started at the empire waistline. She wore soft petals with pearl trim that supported her illusion veil. She carried her great grandmother's Bible with a white lace cover on which the bridal bouquet of split carnations and yellow roses rested, with long white streamers.

She chose as her maid of honor, her sister, Miss Charlotte Coolidge. Her bridesmaids were another sister, Miss Beverly Coolidge, Andover; a classmate, Miss Ruth Bodwell, Andover; and a classmate, Miss Gretchen Dock, Bethel.

All the attendants wore floor length A line gowns of mermaid and sparkling turquoise silk, boat neckline and three quarter length sleeves. Their headpieces were small bows in matching color and fabric, which supported their face veils. Each carried a colonial bouquet of yellow and split carnations with long yellow streamers.

Alfred Marston, Rochester, N. Y., a close friend of the groom, acted as best man. Ushers were Henry Harlow, Mexico, cousin of the groom; David Hutchins and Kenneth Merrill, Andover, classmates of the bride.

Immediately following the ceremony a reception for 125 was held at the Town Hall. The room was decorated with bells and streamers. The receiving line consisted of the bride party, the bride's parents and the groom's parents.

The bride's youngest sister, Miss Christine Coolidge, circulated the Guest Book. Miss Marguerite Jedrey and Miss Sandra Spidell, Andover, had charge of the gift display.

Mrs. Stanley Coolidge, Auburn, aunt of the bride and Miss Carol

Coolidge, Auburn, dipped punch. After the official cake cutting by the bride and groom the bride's grandmother, Mrs. Floyd Coolidge, Bethel, assisted by Miss Christine Coolidge served the cake. The four tier bride's cake was decorated with the miniature bridal party and topped with a bride and groom. It was made and decorated by Mrs. John Swasey, Andover. Long tapers were on either side of the cake. A delicious buffet luncheon was served. Later dancing was enjoyed.

The bride graduated from Andover High in the class of 1967. The groom also graduated from Andover High, in the class of 1961. He served in the U. S. Army and was in Germany for 18 months. He was discharged in February. He is now employed by the Andover Telephone Company.

After a short wedding trip to the White Mountains the couple will reside in the Swan apartment.

Mrs. Hutchins chose as her traveling attire a dark brown suit with matching accessories. She wore a yellow rose corsage.

The bride was given a pre-nuptial shower early in the fall by friends.

Mrs. Coolidge wore for her daughter's wedding a teal blue knit dress with a white metallic hat and gloves. Mrs. Hutchins chose a two piece fuchsia suit with a multicolored hat and white gloves. Each had a corsage of split white and pink carnations.

Attending from out of town were Mr. and Mrs. Kenton Quint, North Anson; Malvern Wilson and two sons, Michael and Stephen, Gorham, N. H.; Mrs. Keith Wilson, Salem, N. H.; Mr. and Mrs. William Crocker Jr., Livermore Falls; Mr. and Mrs. Theodore Ruark, Rumford; Mr. and Mrs. Nelson Haynes, Portland; Mr. and Mrs. Herchel Hall, Ashburnham, Mass.; Mr. and Mrs. James Cormier, Mexico; Mr. and Mrs. Lewis Decker, Yarmouth; Mr. and Mrs. Robert Croteau and daughters, Regina and Roberta, Bryant Pond; Douglas Hedgeson, Frye; Mrs. Kenneth Spaulding, Mexico; Miss Margaret Mills, Boston; Miss Tamara Emerson, Portland; Mrs. Louis Hall Jr. and Stacy, Roxbury; Mrs. Norman Dock and James; Mr. and Mrs. Albert Skellings and William, Mr. and Mrs. Ernest Perkins and James, Mr. and Mrs. Harold Connor, Esther and Elaine, Albert Silver, and Mrs. Joan Coolidge, Bethel.
